

About the College

The College was established in 1959 as a constituent College of the University of Delhi under the management of Dyal Singh College Trust. Since 1978 it is a university maintained College by University of Delhi. Sardar Dyal Singh Majithia was a great educationist and philanthropist. During recent years, the College has registered an impressive quantitative and qualitative improvement. The quality of the incoming students and the University results have shown a progressive upward movement; the addition of essential amenities and other facilities for students has made the College a prestigious institution.

The College is centrally located at Lodhi Road in South Delhi in the vicinity of Lodhi Gardens, J.L.N Stadium, IIC, WWF, Safdarjang Tomb, Humayun Tomb, India Habitat Centre, India International Center, CGO Complex and many other institutions of National, International significance.

About the City

Delhi, the capital of India, situated in north central part of India. It has a population of over 16.7 million. It unfolds a picture rich with culture, architecture, human diversity, monuments, museums, galleries, and gardens. It is a fusion of the ancient and the modern culture and comprising of two contrasting yet harmonious parts, the Old Delhi and New Delhi. The city is well connected with rest of the country by road, train and air. One can reach easily from any Railway Station or Airport by cab, bus or Metro. The weather in the month of October is pleasant with temperature ranging between 20° and 30°.

Hospitality

Registered participants will be provided with free Seminar kit, lunch, and tea/coffee at the venue. Shared accommodation for the outstation participants can be arranged in the Guest House/Hotel on request and on availability. Free local transport between the venue and the assigned guest-houses shall be provided. Those interested in accommodation in nearby hotels on payment basis may send their request in advance.

National Seminar on Innovative, Advance Research In Bio-medical and Environmental Dynamics

October 09-10, 2015

Venue

Auditorium, Dyal Singh College

Organized by

Department of Chemistry
Dyal Singh College,
University of Delhi

Supported by

UGC, Delhi

About the Seminar

To cope with global environmental change, the seminar will seek out strategies and policies that can fill the gap between policy makers and scientific communities so as to bring the scientifically proved findings into reality. Many human interactions with natural environment cause a slow incremental and cumulative degradation of the environment.

This seminar will focus on uniting scientific and student community with the prospect of propagating the science based knowledge to innovative Bio-pharma strategics and current environmental issues.

New classes of emerging chemicals are also gaining interest, addressing new aspects of chemical contaminations one being residues of pharmaceuticals in the environment. These chemical compounds are specially designed to have targeted high biological activity on humans, properties that can be expected to be maintained on entering, for example, aquatic ecosystems. This seminar is dedicated to fundamental research in Biomedical and environmental dynamics, emphasizing the understanding of reactions as well as structures of compounds and material.

The seminar will be focusing on the various topics/themes

1. Biological Therapeutic Products
2. Biopharma Strategies
3. Drug Discovery and Developments
4. Sustainable Chemistry
5. Green Chemistry and Environment

Call for Papers

Papers pertaining to the topics listed above areas are invited for the Seminar. Abstracts of the papers should be submitted by September 30, 2015 and full paper should be submitted on the day of the seminar.

Registration Fee

Teacher / Academician : ₹ 1000
Research Scholar : ₹ 800

All payments should be made either by a local Cheque or a Demand Draft/Bank Cheque drawn in favour of **Principal, Dyal Singh College, Delhi** and payable at Delhi.
(Same charges for each accompanying person.)

Chairman

Dr. I.S. Bakshi, Principal, Dyal Singh College

Convener / Organizing Secretary

Dr. Vandana
Department of Chemistry, Dyal Singh College
