Dear Colleague

Since the academic session is going to commence from July 20, 2016, evaluation of answer scripts and declaration of results of all students is critically important. Already, due to delay in declaration of the results of students, some of them have not been able to secure admission in other universities. In the interest of students and to ensure that their future is not jeopardized, I have requested the fellow University teachers to complete the marking of answer scripts of all the students who appeared in the examination conducted at the end of last semester.

Any further delay on this count will be detrimental and affect the career of students adversely. Thus, in the interest of our students, I request you to support the cause and urge all faculty members of your college to complete the evaluation process immediately. I am confident that your intervention and cooperation would be great help for the students.

Your support is highly solicited.

Thanking you,

Vinay Gupta
