

Dear Colleagues:

The undersigned attended the Academic Council meeting at the University on 19.07.16. Hon'ble Vice-Chancellor Prof. Yogesh Tyagi made a sincere appeal which is reproduced hereunder.

All teachers need to ensure zero absenteeism and ask themselves each day "did I do best?" "Can I do better?" Teaching is a demanding task. You are god in action. You owe responsibility to your worshiper i.e. the student. Your effort should be to receive 100% compliment from students and parents. You need to render great service. You need to set an example which inspire students to work hard. You need to govern yourself. Care for each penny that you spend because penny is of the poor. 'We' must prevail over 'I'.

I call upon all colleagues to give a serious thought to the appeal of the Hon'ble Vice-Chancellor and ensure that the college delivers the best to the students. I look forward to co-operation of all.

(Dr.I.S.Bakshi)
Principal
