**Performance update of your students registered on Internshala**

Registered Students	2489
Active students	839
Students applying to internships	143
Students hired	14

**Tips to Improve Performance**

1. Ask students to **verify their accounts** (look for a verification mail) to become active.
2. Share top internships regularly and encourage students to apply.
3. Ask students to go through articles to know how to apply the best possible way.
