Dear Sir/Madam,

This is in continuation to our earlier communications related to submission of FATCA declaration by all subscribers registered under NPS from July 1, 2014. As instructed by NPS Trust, in the event of non-submission of FATCA Self-Certification by a subscriber, restrictions on voluntary contribution, Tier 2 contribution and withdrawal will be imposed on his/her NPS account.

Considering the critical nature of the activity, we request your office to advise your underlying Subscribers to either submit their declarations online in the CRA system or to your office. On receipt of the self-certification Form from associated subscribers, your office can upload the details of the same by log in to the CRA system.

Please note that the restrictions would only be on the subscribers voluntary contribution and withdrawal transactions stated above. All other features and functionalities would remain unaffected for the subscriber.

In case of any further queries please feel free to contact CG-Helpdesk (email: cghelpdesk@nsdl.co.in/ Tel: 022-40904242 Extn. 3314/ 3315)/ Mr. Rahim Shaikh (email: rahims@nsdl.co.in/ Tel: 022-40904242 Extn. 3294)

Regards,

Central Government NPS Team
