No. PCTO/2017/ 1719

BY HAND/URGENT

ADVISORY

The University is in receipt of a letter from the CPGC, DU dated 04.11.2017 which states that :

"Non-teaching Staff Members are compelled by the unruly & domineering students to work as per their whims and if it is not done, they oftenly started misbehaving with the staff. Now the students are so clever and tricky that they shamelessly started levelling the baseless allegations against the staff members to defend themselves from any lawful action."

In the light of above mentioned complaint, an advisory is hereby issued for students that they should desist themselves from unwarranted, unlawful and undesirable activities. In case of any incident of misbehaviour by the student in the premises (Administrative Blocks / Officials / College / Department) of the University, respective Principal / Head should initiate appropriate disciplinary action against the bonafide students or their companions under the relevant rules of the University.
