DYAL SINGH COLLEGE

Dear Colleagues & Students

It is to inform that our college has been ranked 25th by NIRF in All India Ranking, 2018 (HRD Ministry). The college has slipped down in its ranking compared to previous year. We have scored relatively less in the parameters Teaching Learning and Resources, Research and Professional Practice, Outreach & Inclusivity with maximum slipping in the parameter Perception. We, however, have improved our score compared to last year in the parameter Graduation outcome. I thank all colleagues, staff members and students for their contribution resulting in 25th position to the College on All India basis. Let us resolve and take concerted steps to improve our ranking in the year ahead.
