

NOTICE

Dear Students,

It is observed that of late some students were involved fighting among themselves. It is highly undesirable because it vitiates the academic atmosphere of the college. I call upon all the students to maintain utmost discipline and at no cost indulge in fighting. It is expected that all students shall attend their classes regularly and would not roam around in the college. Prior to announcement of students council elections 2018-2019, no student is expected to indulge in campagaining on the campus. in particular in the class rooms and also on social media. It is further noted that some students are promoting themselves by using the College/University logo and college name in the social media posts. All concerned to immediately withdraw such posts from the social media.

All concerned to note for strict compliance
