Sir/Madam,

As you are aware, the Annual/Semester examinations are going on since first week of May, 2018 at all the colleges of the University. The ongoing boycott of evaluation of answer scripts of Undergraduate courses as decided by the Delhi University Teachers has stopped the evaluation work at the different evaluation centres.

The delay in the evaluation work, would delay the results of a good number of our students particularly, the final year students who would be applying for their further studies at different Universities in India and abroad. The delay in results may put their academic career at stake.

Considering the future of the students, you are requested to join the evaluation centre at the earliest and complete the evaluation work in time, so that the examination branch is able to declare the results in time and thus can save the future of our students.

Looking forward for your support and cooperation.

VINAY GUPTA
DEAN (EXAMINATIONS)
