## Urgent Notice

Dear Colleagues, Staff, Students

The college is in receipt of schedule of visit of the NAAC Peer Team from 20<sup>th</sup> – 21<sup>st</sup> march, 2017. During the program, the Peer Team will interact with faculty, staff & students visit the facilities (schedule details shall be notified later).

NAAC is an autonomous organization established in 1994 by UGC with HQ at Bangalore. Dyal Singh College has volunteered for Assessment & Accreditation by NAAC & a peer team comprising of eminent academic experts will be visiting the college to acquaint themselves with the strengths & weaknesses of the institution with reference to quality assurance. The visit is neither an inspection nor an attempt to solve any grievances. The whole process is to validate the self – study report (through interaction, inferences & checking relevant documents) & help the college in quality assurance.

Further, the Peer Team will look for evidences, to understand the “collective impact” of the faculty & the institutional ambience on the educational experience & outcome of the students.
