Molecular Visualisation Series 2

on

Learning Chemistry through ODYSSEY Software

About the Visualization Series

- The Department of Chemistry, Netaji Subhas University of Technology, New Delhi and the Department of Chemistry Dyal Singh College University of Delhi, jointly organizing a webinar series for the teachers and students of Chemistry, starting on 30th September, 2020. ODDYSSEY is a unique learning tool that provides a direct window into the molecular world and delivers a dynamic content of all branches of Chemistry in 3D without going into the complexities of classical and quantum mechanics. The webinar is being arranged with the developers of the software, M/s Wavefunction Inc., USA and Neotel Systems & Services, National Distributors of Wavefunction in India.

Resource Persons

- Dr. Amit Kumar (having more than 10 years of research experience in the field of Computational Chemistry) will be the resource person.
- Dr. Jurgen Schnitker, Wave function Inc, US - the developer of this unique Chemistry tool will also deliver a talk on Chemistry learning using ODYSSEY.

About previous successful workshop

- A hands-on workshop on ODYSSEY software at Hindu College in February, 2020 which was attended by more than 50 participants, including students and faculty, across Delhi.
- A Nation Wide Webinar was conducted by Wavefunction on April 6th.

Important details of the Visualisation Series

- Date: 30th September, 2020
- Time: 11:30 AM
- Duration: Two Hours
- Webinar would be conducted using content sharing ZOOM meeting app

Registration

- Please register on the following link and join in the webinar on ZOOM app
- <https://forms.gle/BfgkcbiyAops7URt7>
- Last date of registration: 29th September, 2020

No charges for registration

Evaluation License & Certificate of Participation

- After Webinar, 30 days evaluation license will be provided and on completion of the assignment, a digital certificate will be issued to each participant.
