

Dr. Roma Katyal

M.Sc. Ph.D. (University of Delhi)

Designation: Associate Professor

Specialization: Biochemistry and Molecular Biology, Plant Physiology and Metabolism, Plant systematics

Email address: romakatyal@gmail.com

Dr. Roma Katyal specialises in plant physiology and biochemistry. She graduated from Miranda House, University of Delhi in 1984. She completed her post graduation from Department of Botany in 1986 followed by Ph.D. with specialisation in Plant Biochemistry and Molecular Biology. She qualified National Eligibility Test (NET) and is a recipient of Junior and Senior Research Fellowship from Council of Scientific and Industrial Research (CSIR). She did her post-doctoral research from Jawaharlal Nehru University, New Delhi. She has published research papers in reputed international and national journals.

Dr. Katyal joined Dyal Singh College in 1994 and since then, has been teaching courses on Plant Physiology and Metabolism, and Plant Systematics. She has been associated with various syllabus revision as well as college administration committees. She co-investigated and guided students in a D.U. innovation project. She has participated in numerous workshops, conferences, seminars, symposia and faculty development programmes. She was Member, Organising Committee, of the workshop for teachers on “Recent Trends in Plant Systematics and Future Prospects”, held in Department of Botany, Dyal Singh College, in March, 2019. She is a life member of Delhi University Botanical Society (DUBS).
