

INSTITUTIONAL DISTINCTIVENESS

We at Dyal Singh College aim to live to the vision of our founder Sardar Dyal Singh Majithia to be a truly secular college and nurture students to be responsible citizens of the country. We are continuously working towards:

- creating conducive environment for students to gain insight into their academic pursuits to make them more employable and knowledgeable,
- to develop a wholesome personality of students we strive to provide more infrastructure for sports and extra-curricular facilities,
- providing more infrastructure and assistive technology to differently-abled students,
- continuously working to establish strong placement linkages,
- conducting a large number of extension activities to impart health/ hygiene/ education to less privileged in the society,
- using our own organic manure in college gardens,
- conducting a number of plantation drives,
- promoting research and innovation programs for students and teachers,
- safeguard our youth from the ills of tobacco smoke and substance abuse, and
- assisting to students for their psychological health through trained counsellors.
