

INSTITUTIONAL DISTINCTIVENESS

We at Dyal Singh College aim to live to the vision of our founder Sardar Dyal Singh Majithia to be a truly secular college and nurture students to be responsible citizens of the country. We are continuously working towards:

- Creating conducive environment for students to gain insight into their academic pursuits to make them more employable and knowledgeable.
- To develop a wholesome personality of students we strive to provide more infrastructures for sports and extra-curricular facilities.
- Providing more infrastructure and assistive technology to differently-abled students.
- Continuously working to establish strong placement linkages.
- Conducting a large number of extension activities to impart health/ hygiene/ education to less privileged in the society.
- Using our own organic manure in college gardens.
- Conducting a large number of plantation drives.
- Promoting research and innovation programs for students and teachers.
- Safeguard our youth from the ills of tobacco smoke and substance abuse.
- Assisting to students for their psychological health through trained counsellors.
