

Grant for Growth

Ys Scholarship

Empowering deserving students with essential financial resources
to access higher education

About Us

YS Scholarships is an initiative by your-space to support meritorious students who need financial support to pursue their educational aspirations. We want to make a meaningful difference to the overall environment and efforts pertaining to access to higher education in India.

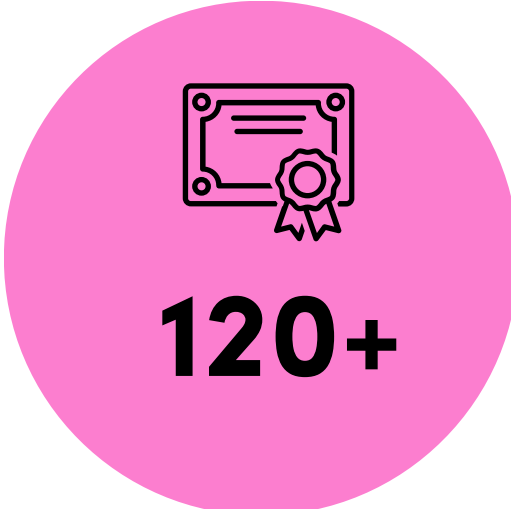

Why YS Scholarship?

While there are numerous scholarship programmes at the primary schooling level, there are very few avenues for financial assistance at graduate and post graduate level. The right support at this stage is critical to help students join the workforce and build careers. Students from the first chapter of the YS scholarship have already taken their first step in becoming self reliant by securing internships and jobs.

Journey So Far

Impact

Arvind hails from Baran, a quaint village in Rajasthan, where his family of three relies on farming for their livelihood. Despite limited resources, Arvind's passion and hardwork led him to secure admission at IIT Bombay for MSc mathematics degree. Arvind's hard work paid off and after completing the course with a CGPA of 7, he secured a job as a Q&A expert at Chegg.

Upholding the spirit of giving back, he now teaches Maths to 11th and 12th grade students, preparing them for JEE Advance.

Simran's inspiring story exemplifies the spirit of YS Scholarship. Her father works at a garage and mother is a homemaker. Despite her humble background, her grit and academic rigor led her to turn her life around. She had taken up part-time work to repay her education loan for her masters at St. Xavier's College. She later applied to YS scholarships and received the grant. She went on to complete her masters with a perfect 10 CGPA and pursued her passion for teaching and research. She is now an Assistant Professor at K.V. Pendharkar College of Arts, Science, and Commerce.

How it Works?

Step 01

Applications

Students can apply directly through the website or can be nominated by partner institutes.

Step 02

Screening

Initial screening and documents verification is done by YS Team

Step 03

Interviews

All verified applicants go through 2 rounds of interview assessment

Step 04

Verification

Verification done with the institute to confirm admission and other documentation

Step 05

Disbursement

The grant amount is transferred directly to the institute against the fees due

Eligibility Criteria

All applications are screened and evaluated against three basic requirements

UG Course Admission

Confirmed from recognised Indian University/ College

Annual Family Income

Family Income should not exceed 2 lac per annum.

Qualifying marks.

Should score a minimum of 70% in Class 10th and 12th

Join the **Mission**

Join us in our mission of 'Democratizing Giving' and empowering meritorious students become self reliant

Enroll your Institute

Register your college or university with YS Scholarship and roll out the programme for all eligible students.

Nominate Students

Nominate students that need financial assistance and meet the eligibility criteria.

Become a Donor

Join the movement and contribute to the scholarship fund. All donations are eligible for 80G benefits.
